

BELL OAKS UPPER ELEMENTARY SCHOOL

December 18, 2019

Dear 8<sup>th</sup> Grade Families,

We are excited to begin the scheduling process with you and your soon to be 9<sup>th</sup> grader for the 2020-2021 school year! Please be aware that over the next few months there will be many important scheduling events that we will be coordinating with you. The transition to high school starts with your input and involvement in the scheduling process, so please take advantage of these upcoming events and opportunities.

The scheduling process starts with a mailing in early January, from Triton High School, to inform you of your student's designated scheduling conference date and time with the Triton Counseling Staff, which will be held at Bell Oaks Upper Elementary School in mid-January. These will be held during the day and are optional for parents to attend. The mailing will also contain course recommendations for your student that were completed by the Counselor and Supervisors at Triton Regional High School. Please have your child bring the completed course selection form to his/her appointment. Please do not mail these to Bell Oaks Middle School.

Please save the date for Triton High School's 8<sup>th</sup> grade Parent Night which will be held on **Thursday, February 6, 2020**. Tours will be provided, and any remaining course selection forms will be collected at this time as well.

If you are coming to your child's appointment in January, but have a time conflict, please contact the School Counselor at Bell Oaks to change your appointment time. Please keep in mind the appointment is 10-15 minutes.

If you have any questions, please call or email the School Counselor:

Mrs. Lynn Lehner  
856-931-6273 ext. 1367  
[llehner@bellmawrschools.org](mailto:llehner@bellmawrschools.org)

Thank you!

Regards,

*Mrs. Lynn Lehner*  
School Counselor
